Date: Thursday, April 18, 2019 5:01:56 PM

Just so everyone is on the same page going into the holiday weekend, ITC's plans are:

Friday: Continue Tank Farm Work and Waterway Remediation

Saturday: Waterway Remediation Will Continue through Noon on Saturday

Tank Cleaning Will Continue as needed

Sunday: No Waterway Remediation unless emergency

Tank Cleaning only if not completed

Vacuum Trucks will be 24/7 throughout the weekend to remediate ditches as needed.

ITC personnel will be minimally staffed on Saturday and Sunday. However, the Pasadena building will be open and accessible. Deer Park will have 24/7 coverage as well throughout the weekend.

If you have questions, please let me know.
